

CHINA SUNERGY ESTABLISHES EUROPEAN SALES AND MARKETING BRANCH IN MUNICH

BY SI STAFF ON MONDAY 14 JANUARY 2008

China Sunergy Co. Ltd., a specialized solar cell manufacturer based in Nanjing, China, has established its European headquarters in Munich, Germany.

"The establishment of our European branch will enable China Sunergy to enhance our sales and marketing capabilities throughout Europe," comments Allen Wang, CEO of China Sunergy. "We will immediately be able to better serve our increasingly European customer base, which include also solar AG and asola, as well as new prospective clients."
