

Yingli Green Energy to supply 35MW of modules to IBC Solar

PV Tech - www.pv-tech.org

Yingli Green Energy has said that it has entered into a new sales contract with IBC Solar AG to deliver a minimum of 35 MW of PV modules to IBC from May 2008 to December 2008 for use in projects based in Germany.

IBC also has an option to purchase a maximum of another 45 MW of PV modules from Yingli Green Energy in 2009.
